You may have already completed a Household Enquiry Form, but if you aren't already registered you still need to complete an individual registration form. If you aren't registered to vote, you won't have the chance to have a say on who represents you. An application form will be sent to you to complete. Alternatively, you can go online at www.gov.uk/register-to-vote to register.

Some people also register to vote because they want to apply for credit. This is because credit reference agencies use the register to confirm where someone lives when they apply for credit in order to counteract fraud.
